

A CALL TO KINDNESS DAY ACTIVITY

Please look closely, read and think about this cartoon's message.

Class Activity: Ask a student to read the question the boy in a wheelchair asked. Have another student read the response from the man shoveling. Then ask a student to read the response from the boy in a wheel chair. Consider these questions for class or small group discussion:

- **How would you feel if you were the boy in a wheelchair?**
- **If you were one of the students on the left what would you have done or said?**
- **What does the title of the cartoon, "Clearing a Path for Everyone" mean?**
- **Are there acts of kindness or things you do or say that helps clear a path for everyone?**
